

SA4222 - 8 x 12' PXB Pro Set Up Instructions

Note: It is recommended for two people to set up this system. It might be difficult for most people to set it up by themselves.

Step 1 - Set up the stand.

Step 2 - Attach the Super Clamp onto the top of the stand. Put the Cross Bar into the mouth of the Super Clamp.

Step 3 - Attach a Hub to each end of the Cross Bar.

Step 4 - Insert an arm assembly to the top of each hub.

Step 5 - Attach the muslin to the ends of the top arms. Then insert the bottom arms and attach the muslin corner pockets.

Step 6 - Loosen the Cross Arm and then extend the cross arm to stretch the muslin. Tighten the lock on the cross arm.
